

AEENA

NEWS LETTER 2020-2021.

Government Degree College Poonch

2020-21

It is a matter of great pride and satisfaction for me to bring out this new issue of Aeena, Newsletter of Government Degree College Poonch, which highlights significant work and contributions made by the college in the field of teaching, learning, sports and other activities undertaken during

Aeena, News Letter from April 2020 to March 2021. I feel a special sense of satisfaction to acknowledge, admire, and appreciate the inspired initiative taken by our conscientious colleagues and sterling students to bring out the glowing glimpses of the activities of our College between April 2020 to March 2021. Our students have performed well in academics, sports and cultural activities at the state level. The students of the college are actively participated in Swachh Bharat Programme and other social activities like Blood Donation, creating health and plastic pollution awareness among general public, etc. The non-teaching staff and students have contributed immensely to the overall growth of the college. Once again I would like to congratulate all of them for their consistent support towards achieving excellence in education and other co-curricular activities. I appreciate the efforts of the editorial committee in bringing out this issue of the Newsletter.

Prof. Syed Mussaraf.H. Shah

Principal

Govt. Degree Poonch.

It gives me an immense pleasure to present the College Newsletter “AAEENA”, for the Academic Session 2020-2021 which speaks volumes of activities carried out in the current academic session. I have a sense of satisfaction that the college has done reasonably well in pursuit of realizing its institutional goal. The students of the college have excelled in academics, co-curricular and extra-curricular activities and brought laurels by fetching top honours in the University examinations. The teaching faculty of the college has attained the milestones as many teachers attended various courses and workshops organized by different Universities and also presented papers in National and International Conferences. The committees constituted for different activities have done remarkably well in all the fields and areas assigned to them. Many Workshops, Seminars, Symposiums, Debates and Guest Lectures were organized in the college. the Editorial Board of this issue has done a remarkable job by putting their utmost efforts in completing this project in a very short span. My heartiest greetings to all those who have been a part and parcel of this issue. . I am hopeful that this small piece of technical work shall not only develop the taste for reading among students but also develop a sense of belonging to the institution as well.

The Day was observed to make online poster making and slogan writing competition on the theme, "Global Solidarity and Resilient Services to raise awareness by breaking myths and misconceptions of common people, minimize discrimination of People Living with HIV (PLHIV) and ensure them a healthy and secure living environment like other people.

Prof.M.H. Shahin his speech laid emphasis that due to the ongoing COVID-19 pandemic, the world has been reminded that none of us will be safe until all of us are safe. In his speech he also mentioned some key factors that are vital to ending both the HIV and COVID-19 pandemics include eliminating stigma and discrimination, and focusing on people, to name a few. He also stressed that the COVID-19 pandemic has brought the deep-rooted inequalities in our current societies to the surface. Like other health crises, the poorest and most vulnerable are the ones that have been hit the hardest.

He also stressed that the COVID-19 pandemic has heightened the challenges that those living with HIV face, as well as women, girls, and key populations. We've also seen the widening of social and economic inequalities due to the crisis. With that said, the latest pandemic has been a wake-up call that things must be done differently, in a way that is better and more unified. In his concluding remarks Prof.M.H. Shah said that it is essential for the governments, civil society, donors, and individuals to do their part in making the world a healthier place.
