### FROM PRINCIPAL'S DESK

It is a matter of satisfaction and pride that Govt. Degree College Poonch is bringing out its edition of Newsletter "AAEENA", which showcases the achievements of the College and the activities undertaken during the academic session 2018-19 and present the same before the stakeholders, students, faculty and parents. The College has ICT Enabled class rooms, well-furnished library and a multipurpose hall to provide right opportunities for all-round growth of the students. By the dedicated efforts of the staff the academic session was made eventful as the college organized One day state level Conference on "Innovative Research in Science and Technology for Sustainable Development" and thereafter organized Two day National conference on, "Science, Society and Sustainable Development" which brought the students of this college face to face with distinguished academicians and scholars from various colleges and universities of the country. Annual function was organized to felicitate the meritorious students and the cultural activities committee presented memorizing cultural programme. The College organized other curricular and co-curricular activities, extension activities and social service programmes, plantation drives, cleanliness and beautification drives during the session. The College has a committed and dedicated faculty which is striving hard to create opportunities for the students to broaden their horizon and enhance their level of intellect and wisdom. The teaching faculty and non-teaching staff of the college are committed for enriching academic, co-curricular and extra-curricular standards of our students. Our teachers work hard throughout the year with the students to provide them high quality educational experience in the form of group discussions, symposia, seminars, cultural competitions and NSS activities. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts.

### EDITORIAL

It's a matter of great joy and privilege for me to present the College Newsletter "AAEENA", for the Academic Session 2016-17, which speaks volumes of activities carried out in the current academic session. I have a sense of satisfaction that the college has done reasonably well in pursuit of realizing its institutional goal. The students of the college have excelled in academics, co-curricular and extra-curricular activities and brought laurels by fetching top honours in the University examinations. The teaching faculty of the college has attained the milestones as many teachers attended various courses and workshops organized by different Universities and also presented papers in National and International Conferences. The committees constituted for different activities have done remarkably well in all the fields and areas assigned to them.

Many Workshops, Seminars, Symposiums, Debates and Guest Lectures were organized in the college. The newly constructed Administrative Block has given a new look to the college. The students and staff of the college, realizing their social responsibility have contributed a handsome amount of money and distributed among the flood victims of Poonch and the Valley.

Last but not least, the Editorial Board of this issue has done a remarkable job by putting their utmost efforts in completing this project in a very short span. My heartiest greetings to all those who have been a part and parcel of this issue. A lot more has to be done in the days to come.
